

Where the Wild Things Are! Animals in Nature!

Let the Wild Rumpus Begin!

Nature Seekers Year - Autumn, Winter, & Spring...September-May

Ft. Lauderdale - Bonnet House Gardens

N. Miami - Greynolds Park

At Nature Seekers we use The FLOW LEARNING sequence - all aspects of our day are based around these four stages, we incorporate each stage for each portion of the day:

- Stage One: Awaken Enthusiasm
- Stage Two: Focus Attention
- Stage Three: Offer Direct Experience
- Stage Four: Share Inspiration
